# BLUESTAR SILICONES

# SAFETY DATA SHEET

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

#### Product identifier:

Product name: BLUESIL RTV 3040 A

Synonyms, Trade Names: RHODORSIL RTV 3040 A

Relevant identified uses of the substance or mixture and uses advised against: Identified uses: Moulding diverse objects. Uses advised against: None known.

### Details of the supplier of the safety data sheet: Manufacturer:

Bluestar Silicones Germany GmbH Hans-Sachs-Strasse 4a D-23566 Lübeck **Telephone:** +49 (0) 451 6 09 81-27 **Fax:** +49 (0) 451 6 09 81-11

e-mail: fds.sil@bluestarsilicones.com

#### Supplier:

Bluestar Silicones (UK) Ltd Wolfe Mead, Farnham Road UK-GU35 0NH Bordon Telephone: +44 (0) 1420 477000

Emergency telephone number: +44 (0) 1865 407333

### **SECTION 2: Hazards identification**

#### Classification of the substance or mixture:

The product has not been classified as hazardous according to the legislation in force.

| Hazard summary:<br>Physical hazards: | Combustible.   |
|--------------------------------------|--|
| Health hazards:<br>Inhalation:       | No specific symptoms noted.                                      |
| Eye contact:                         | No specific symptoms noted.                                      |
| Skin contact:                        | No specific symptoms noted.                                      |
| Ingestion:                           | No specific symptoms noted.                                      |
| Other Health Effects:                | No other information noted.                                      |
| Environmental hazards:               | Not regarded as dangerous for the environment.                   |
| Label elements:                      |  |
|                                      | The product does not need to be labeled in accordance with EC di |

The product does not need to be labeled in accordance with EC directives or respective national laws.

#### Other hazards:

No data available.

# **SECTION 3: Composition/information on ingredients**

### Mixtures:

| General information:   | Mixture of Polyorganosiloxanes, fillers, additives.  |
|--|--|
| Classification:  |  |
| SECTION 4: First aid measu   | res  |
| General:   | Get medical attention if symptoms occur. Contaminated clothing to be placed in closed container until disposal or decontamination. |
| Description of first aid measures<br>Inhalation:   | Not relevant.  |
| Eye contact:   | In the event of contact with the eyes, rinse thoroughly with clean water.<br>Continue to rinse for at least 15 minutes.            |
| Skin contact:  | Remove contaminated clothing and shoes. Wash with soap and water.  |
| Ingestion:   | Do not induce vomiting. Rinse mouth thoroughly.  |
| Most important symptoms and effects, both acute and delayed:   | None known.  |
| Indication of any immediate medical attention and special treatment needed:<br>Hazards: No specific recommendations. |  |
| Treatment:   | No specific recommendations.   |
| <b>SECTION 5: Firefighting mea</b>   | asures   |
| General fire hazards:  | No specific recommendations.   |
| Extinguishing media:<br>Suitable extinguishing<br>media:   | Extinguish with foam, carbon dioxide or dry powder. Water spray.   |
| Unsuitable extinguishing media:  | None known.  |
| Special hazards arising from the substance or mixture:   | Combustible. For further information, refer to section 10: "Stability and Reactivity".   |
| Advice for firefighters:<br>Special Fire Fighting<br>Procedures:   | Water spray should be used to cool containers.   |
| Special protective equipment for fire-fighters:  | Self-contained breathing apparatus and full protective clothing must be worn in case of fire.                                      |
| <b>SECTION 6: Accidental relea</b>   | ase measures   |

| Personal precautions,<br>protective equipment and<br>emergency procedures: | Use personal protective equipment. See Section 8 of the MSDS for Personal Protective Equipment. |
|--|---|
| Environmental precautions:   | Collect spillage. Do not discharge into drains, water courses or onto the ground.               |

| Methods and material for containment and cleaning up: | Containers with collected spillage must be properly labelled with correct contents and hazard symbol. Container must be kept tightly closed. Absorb with sand or other inert absorbent. To clean the floor and all objects contaminated by this material, use an appropriate solvent.(cf. : § 9) Flush area with plenty of water. Incinerate in suitable combustion chamber. |
|---|--|
| Notification Procedures:                              | Caution: Contaminated surfaces may be slippery. For waste disposal, see section 13 of the MSDS.  |

## SECTION 7: Handling and storage:

| Precautions for safe handling:                                | No specific precautions.  |
|---|---|
| Conditions for safe storage, including any incompatibilities: | No special storage precautions noted. Material is stable under normal conditions. Avoid contact with oxidizing agents. Suitable containers: polyethylene. Plastic lined steel drum. |
| Specific end use(s):  | No specific recommendations.  |

# SECTION 8: Exposure controls/personal protection

| Control parameters:  |  |
|--|--|
| Occupational exposure limits:  | None of the components have assigned exposure limits.  |
| Exposure controls:<br>Appropriate engineering<br>controls:             | No special precautions.  |
| Individual protection measures, such as personal protective equipment: |  |
| General information:   | No specific precautions.   |
| Eye/face protection:   | Safety Glasses   |
| Skin protection:<br>Hand protection:                                   | Use protective gloves made of: Nitrile. Polyvinyl chloride (PVC). Rubber or plastic.   |
| Other:   | No skin protection is ordinarily required under normal conditions of use. In accordance with good industrial hygiene practices, precautions should be taken to avoid skin contact. |
| Respiratory Protection:  | No specific precautions.   |
| Hygiene measures:  | Provide eyewash station and safety shower.   |
| Environmental Controls:  | No data available.   |

## **SECTION 9: Physical and chemical properties**

### Information on basic physical and chemical properties:

| Appearance:     |                    |
|-----------------|--------------------|
| Physical State: | Liquid             |
| Form:           | Viscous.           |
| Color:          | Transparent.       |
| Odor:           | Odorless           |
| Odor Threshold: | No data available. |
| pH:             | Not applicable     |

|  | Na data available   |
|--|---|
| Freezing point:                          | No data available.  |
| Boiling Point:                           | No data available.  |
| Flash Point:                             | > 200 °C Approximate  |
| Evaporation Rate:                        | No data available.  |
| Flammability (solid, gas):               | No data available.  |
| Flammability Limit - Upper (%)–:         | No data available.  |
| Flammability Limit - Lower (%)–:         | No data available.  |
| Vapor pressure:                          | No data available.  |
| Vapor density (air=1):                   | No data available.  |
| Relative density:                        | Approximate 1,10 (20 °C)  |
| Solubility(ies):                         |   |
| Solubility in Water:                     | Practically Insoluble   |
| Solubility (other):                      | Acetone.: Very slightly soluble.<br>Alcohol: Dispersible<br>Diethylether.: Dispersible<br>Aliphatic hydrocarbons.: Dispersible<br>Aromatic hydrocarbons.: Dispersible<br>Chlorinated solvents.: Dispersible |
| Partition coefficient (n-octanol/water): | No data available.  |
| Autoignition Temperature:                | No data available.  |
| Decomposition Temperature:               | No data available.  |
| Viscosity:                               | Approximate 36 400 mm2/s (25 °C)  |
| Explosive properties:                    | No data available.  |
| Oxidizing properties:                    | According to the data on the components Not considered as oxidizing. (evaluation by structure-activity relationship)  |

## **SECTION 10: Stability and reactivity**

| Reactivity:                         | Not relevant.   |
|-------------------------------------|---|
| Chemical stability:                 | Stable  |
| Possibility of hazardous reactions: | No data available.  |
| Conditions to avoid:                | No other information noted.   |
| Incompatible materials:             | Strong oxidizing agents.  |
| Hazardous decomposition products:   | Thermal decomposition or combustion may liberate carbon oxides and other toxic gases or vapors. Amorphous silica. |

## **SECTION 11: Toxicological information**

| Information on likely routes of<br>Inhalation: | exposure<br>No effects expected (assessment based on ingredients). |
|--|--|
| Ingestion:                                     | No effects expected (assessment based on ingredients).             |
| Skin contact:                                  | No effects expected (assessment based on ingredients).             |
| Eye contact:                                   | No effects expected (assessment based on ingredients).             |
|  |  |

### Information on toxicological effects:

Acute Toxicity:

Oral: Product:

No effects expected (assessment based on ingredients).

| Dermal:<br>Product:                               | No effects expected (assessment based on ingredients).                     |
|---|--|
| Specified substance(s):                           |  |
| Inhalation:<br>Product:                           | No effects expected (assessment based on ingredients).                     |
| Repeated dose toxicity:<br>Product:               | No effects expected (assessment based on ingredients).                     |
| Skin corrosion/irritation:<br>Product:            | No effects expected (assessment based on ingredients).                     |
| Serious eye damage/eye<br>irritation:<br>Product: | No effects expected (assessment based on ingredients).                     |
| Respiratory or skin<br>sensitization:<br>Product: | No effects expected (assessment based on ingredients).                     |
| Germ cell mutagenicity:                           |  |
| In vitro:<br>Product:                             | No effects expected (assessment based on ingredients).                     |
| In vivo:<br>Product:                              | No effects expected (assessment based on ingredients).                     |
| Carcinogenicity:<br>Product:                      | No effects expected (assessment based on ingredients).                     |
| Reproductive toxicity:<br>Product:                | No effects expected (assessment based on ingredients).                     |
| Specific target organ toxicity - si<br>Product:   | ngle exposure:<br>No effects expected (assessment based on ingredients).   |
| Specific target organ toxicity - re<br>Product:   | peated exposure:<br>No effects expected (assessment based on ingredients). |
| Aspiration hazard:<br>Product:                    | No effects expected (assessment based on ingredients).                     |
| Other adverse effects:                            | None known.  |

# **SECTION 12: Ecological information**

| Toxicity:                          |  |
|------------------------------------|--|
| Acute toxicity:                    |  |
| Fish:<br>Product:                  | No effects expected (assessment based on ingredients). |
| Aquatic invertebrates:<br>Product: | No effects expected (assessment based on ingredients). |
| Chronic Toxicity:                  |  |
| Fish:<br>Product:                  | No effects expected (assessment based on ingredients). |

| Aquatic invertebrates:<br>Product:                             | No effects expected (assessment based on ingredients).   |  |  |
|--|--|--|--|
| Toxicity to Aquatic Plants:<br>Product:                        | No effects expected (assessment based on ingredients).   |  |  |
| Persistence and degradability:                                 |  |  |  |
| Biodegradation:<br>Product:                                    | Not applicable   |  |  |
| BOD/COD ratio:<br>Product:                                     | No data available.   |  |  |
| Specified substance(s):  |  |  |  |
| Bioaccumulative potential:                                     |  |  |  |
| Product:   | No data available.   |  |  |
| Specified substance(s):  |  |  |  |
| Mobility in soil:  | No data available.   |  |  |
| Known or predicted distribution to environmental compartments: |  |  |  |
| Results of PBT and vPvB assessment:                            | None Reported  |  |  |
| Other adverse effects:   | None known.  |  |  |
| SECTION 13: Disposal considerations                            |  |  |  |
| Waste treatment methods:                                       |  |  |  |
| General information:   | The user's attention is drawn to the possible existence of local regulations regarding disposal.   |  |  |
| Disposal Methods:  | Dispose of waste at an appropriate treatment and disposal facility in accordance with applicable laws and regulations, and product characteristics at time of disposal. Incinerate in suitable combustion chamber.   |  |  |
|  | Contaminated packages should be as empty as possible. Dispose of waste<br>at an appropriate treatment and disposal facility in accordance with<br>applicable laws and regulations, and product characteristics at time of<br>disposal. Recycle following cleaning or dispose of at an authorised site. |  |  |
| European Waste Codes:  |  |  |  |
| SECTION 14: Transport information                              |  |  |  |

### **SECTION 14: Transport information**

This material is not subject to transport regulations.

Environmental hazards: Not regulated.

**Special precautions for user:** No special precautions.

Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code: Not applicable.

### SECTION 15: Regulatory information

Safety, health and environmental regulations/legislation specific for the substance or mixture:

### **National Regulations:**

Chemical safety assessment: No data available.

| SECTION 16: Other information  |  |  |  |
|--|--|--|--|
| <b>Revision Information:</b>   | Not relevant.                          |  |  |
